

To Spain with Love

From the moment we all heard the news of Fr. Vicente's passing, we've been recalling stories of special times we've shared with him.

These memories are very important to his family in Spain.

We are creating a book for the family members who were not able to attend his services.

The book will be a gift titled,

“From Most Holy Rosary Parishioners with Love”.

If you have a special story, poem, reflection, or a photo of a special occasion with Fr. Vicente, please forward them to:

Barbara Daniels at: hrrbulletin@comcast.net.

Please include your name/s and any important information you would like to include for the family.

For more information, please call the office at 757-4020 or email Barbara.

Thank you.
